

SINCE 1995 **LB LEADERSHIP BURBANK**

30 YEARS

Leadership Burbank Class of 2025

We are excited and honored to announce our class project:

Play Without Limits: Empowering Possibilities with Adaptive Sports

Mission:

Provide support and essential equipment to the City of Burbank's Adaptive Sports, as well as raise awareness for the program.

Our Goals:

Tier One: Two Fencing Wheelchairs with Base Frames and Four Fencing Scoring Machines

Tier Two: Two Action Trackchairs for Hiking Trails

Tier Three: Adaptive Sports Mural in preparation for the Los Angeles 2028 Paralympics

For details, updates, and to donate, scan here! ↪

The City of Burbank's new **Adaptive Sports Program** not only serves the residents of Burbank but **athletes throughout the region.**

Making adaptable sports more accessible provides participation opportunities for all.

Regardless of background or ability, this program **helps close the "Play Equity Gap"** for children and adults alike. It ensures access to equipment and support not previously available.

Access to physical activities promotes health and wellness, **fosters inclusion and empowerment**, and builds stronger communities for individuals with physical disabilities throughout the area.

Together, we can create a more inclusive, active, and empowering environment for athletes of all abilities!

Proceeds will benefit **Play Without Limits** and Leadership Burbank scholarship funds. Any excess funds raised that may not be needed for the project will go to scholarships for Leadership Burbank future class participants. Tax ID# 91-2168014
